

# South Golf Outing Another Success

by Jake Kartes

**THE LOCAL 420** South Golf Outing was held July 26th at Rivermoor Golf Club in Waterford, WI. Congratulations to Elliot Pietrzak and Dan Minerath who were the winners of the day, beating out Chase and Rob Hoppe by .5 of a stroke!

On behalf of all the staff and membership involved, I would like to thank everyone who donated a prize, money, or their personal time to help! We are breaking records and will be donating over \$6000 to the Hunger task force of Milwaukee this year.

Thanks to all those who participated and we look forward to seeing you at the Northern Outing on September 13th. Be sure to mark your calendars for the last Friday in July next year for a chance to be the champion in the South. ■

## Join Local 420 to Support The Honor Flight

Please join us on **Friday, September 13th** for the Local 420 North Golf Outing to support the Northeast Wisconsin Honor Flight.

Everyone is welcome for a relaxing day with lunch and dinner included. Last year the weather was warm and the drinks were cold so don't pass up a chance to spend a day golfing with your union brothers and sisters while also contributing to a great cause.
